PUSA Krishi is set to organize the 4th edition of **Agri India Meet** online from 10 A.M. to 01 P.M. on **10th May 2024**. Renowned Agribusiness experts including Dr. Partha R Das Gupta, Shri. Jagadeesh Sunkad, Shri. Dinesh Kumar Kapila and Shri. Manish Gupta will grace the event as panelists.

AIM 4.0 will focus its discussion on the topic "**Disrupting Agriculture Value Chains: Harnessing the Power of Supply Networks & Logistics.**" The panelists will explore the innovative strategies and emerging trends reshaping agricultural value chains, shedding light on the transformative power used by supply networks & logistical frameworks.

The objective of Agri India Meet is to provide insightful discussions on latest issues, actionable insights, and collaborative opportunities aimed at fostering advancements in the agricultural sector. Moreover, the virtual format will ensure accessibility to a diverse audience, transcending geographical barriers & facilitating maximum participation. As the agricultural landscape undergoes rapid evolution, these Agri India Meets serve as an important platform for all interrelated stakeholders to converge, ideate & plan the course toward sustainable growth and resilience in the agri & allied sectors' startup ecosystem.
