Sub: Announcement of Distance learning programme on "Remote Sensing and GIS application in watershed management" using EDUSAT National Beam Network during April 08-12, 2019.

Dear Sir,

I am happy to announce that EDUSAT based off campus training programme on "Remote Sensing and GIS application in watershed management" will be held during April 08-12, 2019 in this Division. The training will be offered by Indian Institute of Remote Sensing (URS), ISRO, Department of Space, DehraDun which will be received by our end through the SIT (Satellite Interactive Terminal) facility available with us. I would request you to send the nominations of scientists and Ph.D. students from your Division for the participation in this programme. The nomination of the candidates may be sent to Mr. Rajkumar Dhakar, Course Co-ordinator, Division of Agricultural Physics, IARI, New Delhi - 110 012 (Email : rajdhakar.iari@gmail.com) latest by 6th April, 2019. Participants can register for this course on <https://elearning.iirs.gov.in/Registration.php>. The details of the programme and class schedule will be given once we receive it from URS, Dehradun.

Thanking You.

Yours sincerely

Rajkumar Dhakar
