

**TRAINING PROGRAMME
"Soil Health Management"
(30th Oct.- 4th Nov., 2017)**

An Intense, Six Days Training Programme for Aspiring Agri-preneurs, Farmers, Students, Personnel of Academic Institutes, State Departments and NGO's

PROGRAMME OVERVIEW

India being an agricultural country, there are large numbers of on-station and on-farm agricultural activities in which health of the soil plays an important role. Due to this reason, this training is designed for students, farmers and entrepreneurs for getting an opportunity to know from basic to applied complex aspects of soil nature.

PROGRAMME HIGHLIGHTS

1. Importance of Soil Testing for Improving crop yields.
2. How to reduce the consumption of fertilizer.
3. How to maintain the soil health.

OUTCOME

Empowering trainees towards a strategic approach of management of soil health.

WHO CAN PARTICIPATE?

Agri-preneurs, Farmers, Students, Personnel of Academic Institutes, State Departments and NGO's

VENUE

Division of SS & AC and ZTM & BPD Unit, ICAR-IARI
