Circular

ICAR-IARI has been implementing the MGMG scheme by adopting villages in 50 to 100 km. radius around the institute. The teams have been visiting allotted village clusters. In order to monitor the visits of the teams and discuss the feedback of the teams a mechanism has been developed by Team MGMG. All the village clusters of nearby districts have been grouped and it is decided to meet two such groups on every Wednesday. Any one member representing each team is to attend the meeting. The details of the schedule of meeting are given below.
