

IARI signed MoU with IFFCO for research on nanofertilizers

Dr. A.K. Singh, Director, ICAR-IARI and Shri Yogendra Kumar, Marketing Director, IFFCO signed on 18-5-2020 a MoU for research on nanofertilizers. Dr. B.S. Dwivedi, Head, Division of Soil Science & Agricultural Chemistry (SS&AC) and Dr. V.K. Singh, Head, Division of Agronomy were present at this occasion. The contract research project envisages evaluation of Nano-N, Nano-Zn and Nano-Cu fertilizers in terms of their effect on crop productivity, nutrient delivery and uptake, and soil health. The project will be executed jointly by Divisions of SS&AC and Agronomy.
