DIVISION OF ENTOMOLOGY
INDIAN AGRICULTURAL RESEARCH INSTITUTE, NEW DELHI- 110012

F. No. ENTO/MTC/2014/ 601

Dated 10.09.2014

To,
The Secretary/Commissioner of Agriculture/Director, Different States of India

Sir/Madam,

I am to inform you that Directorate of Extension, Ministry of Agriculture, Department of Agriculture & Cooperation, Government of India has approved a Model Training Course (MTC) on “**Mass production technologies for natural enemies of crop pests**” from 24th November- 1st December, 2014 to be organized at Division of Entomology, Indian Agricultural Research Institute, New Delhi - 110012 for the officials of State Govt. Dept.

The proposed training will apprise the candidates about the various mass production techniques of the natural enemies of crop pests and which can be exploited for sustainable pests management for enhancing the agri-horticultural productivity. It will be highly beneficial to the staffs of State Dept. of Agriculture and Horticulture. Kindly nominate two or more staff members from your department for the said MTC training. Interested candidates can apply on or before **20th October 2014** in the enclosed proforma. Interested candidate can also send advance copy of application by email (head_ento@iari.res.in and sachinsuroshe@iari.res.in) for timely processing of applications for boarding and lodging and etc. However, the application should reach us through proper channel for final consideration. TA of the state govt. officials will be reimbursed on actual basis as per entitlement on the submission of original travel tickets in support of their claim. All participants are entitled to avail the boarding and lodging facilities during the training program. The selected candidates will be informed through e-mail/Telephone by 30th Oct. 2014, so that they can finalize their tour program accordingly.

Thanking you and regards,

Dr. G. T. Gujar
Course Director
