

## **Seventh Review Workshop of National Extension Programme (NEP) held on 29<sup>th</sup> September, 2016**

National Extension Programme of IARI in collaboration with ICAR Institutes/SAUs is in progress since *kharif* 2009. A workshop of Nodal Officers from the collaborative partners to discuss the progress and the future plan of work was held on 29<sup>th</sup> September, 2016 under the chairmanship of Dr. J.P. Sharma, Joint Director (Extension), IARI.

At the outset, Dr. J. P. Sharma, Joint Director (Ext)-IARI welcomed the representatives and Nodal officers from different NEP partner ICAR Institutes/ SAUs and other participants in the workshop. He narrated the background of inception and initiation of this collaborative program. He informed that currently this program aimed at harnessing the potential of local farmers at different parts of country through sharing of resources among NEP Partners.

NEP partners presented their achievements of 2015-16, worked out the program for next Rabi & Kharif season and came up with fresh suggestions. The partners, after the program discussed the modalities to make the model broad and sustainable.
