

Parthenium Removal Day

July 13, 2022

ICAR - Indian Agricultural Research Institute, New Delhi organized Parthenium Removal Day on 13-07-2022 from 9.30 AM to 11 AM at different locations of IARI Farm. A total of 13 teams were formed to uprooting and destroying the parthenium. The entire IARI staff was led by Director, ICAR-IARI to complete this mission. All Joint Directors, HoDs, Unit Incharges, scientists, technicals, supporting staff and contractual staff were engaged in this very important job. A total of 150 acre area was made parthenium free. The programme was very successful. It was resolved that such research farm cleanness programme will continue in the future also.
