CIRCULAR

Suspension of Academic and Extra-curricular Activities of the PG School
IARI, New Delhi as a preventive measure against COVID-19

In view of the pandemic status of the Novel Corona Virus COVID-19, the competent Authority has decided to suspend all the academic activities (classes, examinations, seminars, etc.) and extra-curricular activities (Cultural, sports, literary or other events) or any other events which require the participation of students with immediate effect till 15th April 2020. All the students except International Students are advised to vacate the hostel accommodation latest by 18th March, 2020 and proceed to their home. Only students of M.Sc 2nd Year and Ph.D. 3rd year or beyond, having on-going research work as of now will be permitted to stay in the hostels after taking due permission of the MoHR. Chairperson of the students needs to certify the current ongoing research work of the students and justify for his or her stay in the hostel. The one month suspension of academic activity will be compensated by reducing the summer vacation holidays.

All common halls, reading rooms in hostels and library shall remain closed till further orders in view of this extra-ordinary situation. Students are advised to follow Government health advisory and not to go crowded places (market, malls, movie hall, etc.) unless it is absolutely essential.

Students are advised to check the Institute website and keep in touch with their chairperson/Professors for latest updates on start of academic activity.

Continued...
All the students on reporting back will compulsorily first take medical clearance from Institute Medical Officer before being permitted in the Hostel
