F.No. 3(13)2020-NAHEP

Dated the 18<sup>th</sup> May, 2020

**OFFICE MEMORENDUM**

Due to emergency of global pandemic of Covid-19, the whole country is facing the situation of lockdown since March 2020. Most of the Agricultural Universities (AUs) have faced problem regarding fulfilling their stipulated project targets specifically pertaining to procurement and utilisation of funds in last financial year i.e 2019-20.

To address this problem faced by all partner AUs due to this forced lockdown situation, National Director NAHEP has decided to allow carrying forward the unutilised balance of last financial year to this year. By allowing this, all AUs will have some amount of flexibility to perform their last financial year's targets in this financial year.

This issues with the approval of World Bank and Internal Finance Division of ICAR.

In view of the above facts, all AUs are requested to utilise the funds of last financial year as quickly as possible in this financial year 2020-21. Further disbursement of funds will be made only after the utilisation of pending amount with the AUs.

(Dilip Roy)

Under Secretary (NAHEP)
